

## Membership

Dear members and prospective members,

The Board of Directors of the Greater South County Road Association is excited about 2016. We started the year off with the dedication of the Memorial Fountain and we look forward to assisting business owners in promoting the beautification and success of your efforts.

This year's membership will guarantee your placement in the annual Palm Beach Chamber of Commerce Directory. Let's make sure your name is on the page to educate and remind homeowners and visitors about your business.
