# A Message from our President

WE'RE ALMOST THERE!!! I can't believe that Memorial Fountain and Town Square are almost done! And what a party we will have for the grand unveiling of the Fountain on January 31! There will be entertainment all afternoon featuring student groups and professional musicians, free food, refreshments, vintage cars, student art fair, activities for children, Police and Fire demonstrations, lectures in Town Hall on History and Mizner' Memorial Fountain just to mention a few ... and did I mention S County Road will be closed off from Brazilian to Chilean as we expect 2,000 to attend!! (See all the details on the flyer on page 4 of this newsletter.) All the fun starts at 12 noon and you'll want to be one of the first to arrive because GSCRA is handing out beautiful, canvas tote bags embossed with a picture of the fountain and honoring all the businesses who contributed to this illustrious occasion! But only to the first 500 people so be on time!!

**ATTENTION ALL S COUNTY ROAD SHOPS AND BUSINESSES** ... on Sunday, January 31 ... keep your doors open, consider offering your shoppers a refreshment or cookie that day and think of what to put on your part of the sidewalk (3 feet away from the building) to draw shoppers to you and inside! Be creative, be enthusiastic and make all your visitors remember how special you make them feel. (No zoning restrictions from 12-5 that day but always remember customer safety comes first.)

Special thanks to the shops and hospitality businesses on S County Road for contributing to the GSCRA Tote bag, and for participating in the 'FEBRUARY EVENT' (see the next page). Hopefully this flyer will drive businesses into ALL the shops during February and allow us to create return customers for months to come! And extra special thanks to the Retail Outreach Sub-Committee for walking, talking and visiting all the shops and businesses along S County Road with me and spreading the word about this amazing day! Thanks to Melanie Harris on doing a great job on the GSCRA tote bags, to Victoria Brewer for being so charming when visiting all the S County Road businesses and to Denise Parisi for your time in helping visit shops too! And extra EXTRA special thanks to Margrit Bessenroth and her wonderful team at Salon Margrit for hosting the kickoff cocktail reception on January 29<sup>th</sup>!! Margrit and Richard have always been great supporters of GSCRA and to our entire PB community, always offering a hand whenever asked and going above and beyond when you do. We appreciate all you do so very very much! Thank you!!

Remember Sunday, January 31<sup>st</sup>, 12 noon – 5:00pm ... SEE YOU AT THE FOUNTAIN!!

Patti Sans

Our Palm Beach Fire Rescue will be conducting the **Annual Awards Ceremony** to recognize personnel who bring honor to themselves and the Department through heroic or meritorious acts or through outstanding customer service. Included in those being recognized are: members who have received commendations and those who have received Employee of the Month awards. In addition, we will present Life Save awards and Firefighter of the Year award.

**When:** February 12, 2015 Time: 09:00 – 11:00

**Where:** Palm Beach Fire Rescue, Station 3, 2185 South Ocean Blvd.

We look forward to seeing you there!

**Get trained. Save a life. You'll be glad you did.**

On Saturday February 13, 2016, Palm Beach Fire Rescue will be providing Hands-Only CPR training for the public. We hope to teach this new form of CPR to as many residents as possible to make Palm Beach one of the safest places in the country. Classes will be held from 9:00 AM to 12:00 PM at Palm Beach's three fire stations.

North Fire Station: 300 North County Road  
Central Fire Station: 355 South County Road  
South Fire Station: 2185 South Ocean Blvd.

Early CPR for people whose heart has stopped is the key to saving lives. By increasing the number of town residents who know CPR you can help save lives. Anyone can learn CPR – and everyone should! Put very simply: The life you save with Hands-Only CPR is mostly likely to be someone you love because you are the first link in the Chain of Survival. Knowing Hands-Only CPR can save lives. We encourage residents to come on February 13, 2016, or contact us at 561-838-5420 to arrange for training in the future. Please help us make the Town of Palm Beach as safe, as it is beautiful.
